**Cape and Islands Aquaculture (CAIA) ensures that the seed is viable when it leaves the nursery, but we are not responsible for its growth and survival once it is in your possession. This guarantee is only valid for the original purchaser.**

### Terms and conditions:

- A 25% **non-refundable deposit** is required when your order request is approved to be valid.
- Seed is grown to fulfill orders, actual delivery dates may vary
- **Final payment is due upon delivery of the seed.**
- **Payments can be made to Cape and Islands Aquaculture by check, money order, or credit card. Cash WILL NOT be accepted.**
- Personal checks will not be accepted for orders over \$500.00 without prior approval. Amounts over \$500.00 will require a certified check or money order.
- Pickup orders can be held for up to 7 days from notification of them being ready. Not able to guarantee availability after 7 days.
- Other options for accepting seed – shipping or delivery may be an option, please inquire. Large orders may have to be shipped in multiple shipments and varying times.
- In the event that the facility is unable to fulfill your order, you will be refunded your deposit. Please allow up to a week for credit card refunds and 6-8 weeks for check refunds to be processed.
- Please place orders as early as possible, orders are fulfilled on a first come – first served basis according to availability. Order acceptance does not guarantee order fulfillment. To ensure the highest probability of your order being filled, please place orders as early as possible.
- Seed orders are filled on a priority system:
  1. Orders for seed of specific sizes are filled when those sizes become available, and in the order of the date's deposits are received (minimum 20%).
  2. Occasionally, Cape and Islands Aquaculture (CAIA) will accept seed orders without deposits, but they will be filled only after the orders with deposits.
- Minimum order: \$500 (per size, per species)

If damaged materials are received from Federal Express, or other carriers, this package should be rejected and the damage must be reported to the carriers immediately for their inspection. UMCES HPL, ORP and MDDNR will not be held responsible for the condition of shipments after they leave our premises by carriers other than our own. All such claims must be filed with the carrier.

### SEED SIZE

- To prevent seed loss, always use a mesh size one size smaller than the smallest seed size listed when transferring seed to containers.
